We learn that the Dearborn County Agricultural Fair, held on last Wednesday, was well attended, and that it excited great interest. We are glad to see the determined efforts of our farmers throughout the State to foster and advance its agricultural interests. Agricultural societies have been organized, and fairs held in nearly every county.

The Locomotive of last week make the following sensible remarks concerning the interruptions at recent public meetings in this city :- "Wo are sorry this interference with public speakers has taken place - if continued, it will lead to serious difficultiesevery good citizen should frown it down. The freedom of speech is the right of every American, and those that oppose the doctrines advocated by a public speaker can show their opposition in no better way than by leaving him, or listening quietly, an I taking another opportunity to reply to or correct them. For the honor of our city, we hope interruptions of public speakers will not be continued in."

This valuable Medicine, which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to offer if to the public, which they do with the utmost confidence in its virtues and wonderful curative properties. The following certificates, selected from a large number are however, stronger testimony than the mere word of the proprietors; and are all from gentlemen well known in their localities, and of the highest respectability, many of them residing in the city of Richmond Va.

F. BOYDEN, Esq., of the Rachange Hotel, Richmond, known every where, says he has seen the Medicine called Castra's Spansus Mixtures administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most extraordinary medicine he has everseen.

AGUE AND FEVER—Greet Cure—L hereby certify that for three years I had Ague and Fever of the most violent description. I had several physicians, took large quantities of Quinine, Mercury, and I believe all the Tonics advertised, but all without any germanent relief. At last I tried CARTER'S SPANISH MINTORS, two hottles of which effectually cured me, and I am happy to say I have had neither Chille or Fever since. I consider it the best Tonic in the world, and the only medicine that ever reached my case.

C. B. LUCK, Esq., now living in the city of Richmond, and for many years in the post-office, has such confidence in the astonishing efficacy of Carter's Spanish Mixtores, that he bought upwards of 5b bottles, which he has given away to the afflicted. Mr. Luck says he has never known it to fall when takes according to directions:

Br. MINGE, a practicing physician, and formerly of the City Hotel in the city of Richmond, says he has witnessed in a number of instances, the effects of Carter's Spanish Mixtore which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful indeed.

SAMURL M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured of Liver Complaint of eight years standing, by the use of two bottles of Carter's Spanish Mixture.

Bowers and Purcell take pleasure in amouncing to the ladies and gentlemen of Indianapolis and strangers visiting the city, that they have just opened an elegant set of rooms in Mr. Dunlop's new building, arranged expressly, under their own direction, for a Daguerreian Gallery. Having procured the best and most highly improved and approved instruments, and their materials all being of the very best character, and having a sp'endid sky and side-light, they feel assured that they are prepared to take pictures which cannot be excelled either as correct likenesses or as specimens of artistic skill.

They are enabled, by a new and peculiar proces to take pictures of children as perfectly as of adults.

Ladies and gentlemen are invited to call and examine specimens.
